## Front End Developer

High-performing frontend developer with a commitment to collaboration. With over a year of experience in React.js/Next.js gained through multiple projects, I am well-equipped to contribute effectively to your team. Skilled in developing user-facing features, creating reusable components, and optimizing performance, I am dedicated to delivering high-quality solutions that meet and exceed client expectations. Ready to leverage my expertise to drive innovation and success in a dynamic work environment.

## EXPERIENCE

### Junior Frontend Developer

May 2023 – Jan 2024

#### Nep Tech Pal

- Designed Intuitive Interfaces: Collaborated closely with designers to create user-friendly and visually appealing interfaces that enhance the overall user experience.
- Managed Complex Projects: Successfully managed complex web development projects, optimizing workflows for efficiency and on-time delivery.
- Frontend Development: Developed and maintained the frontend of various websites, ensuring they meet high-quality standards and provide a seamless user experience.
- Project Contributions: Made significant contributions to the success of several projects, including the Nep Tech Pal website, Footstep Education website, Autism Care Society Gandaki and Lok Sewa Tayari web version.

### Internship (Frontend Developer)

Feb 2023 - May 2023

#### Rangin Technology

- Developed proficiency in ReactJs, creating responsive and visually appealing web pages.
- Collaborated with designers to implement user-friendly interfaces, enhancing the overall user experience.
- Managed code using Git, ensuring seamless collaboration with team members and tracking project changes effectively.
- Identified and resolved frontend bugs and issues, contributing to improved site performance and user satisfaction.
